## ABOUT OUR "BBQ"

---

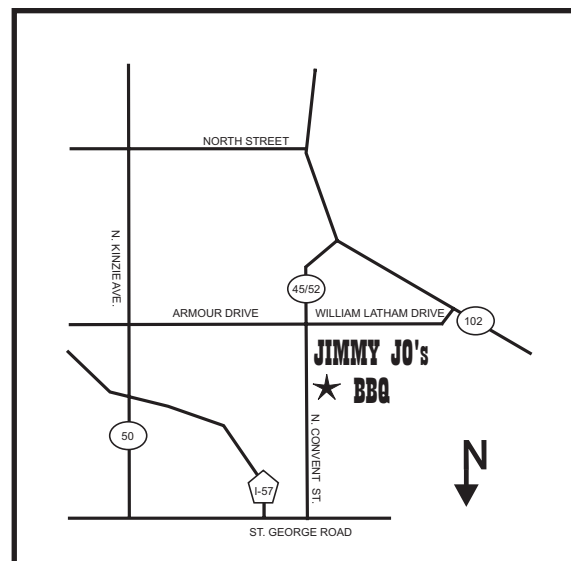

All of our smoked meat is first rubbed with one of our Dry-Rubs. A dry rub is a combination of spices, herbs and sugar. Dry rubbing will create a flavor coating on the outside of the meat, which we believe compliments the slow smoked meat. Our meats are slow smoked over Apple and Hickory Wood for up to 12 hours in our Southern Pride Smoker.

The combination of the dry rubbing and slow smoking, creates a flavor on the meat that we believe doesn't need much else.

If you prefer a sauce, we have 3 to choose from; Our **Chicago Sauce** has a sweeter, smokey flavor, our **Texas Sauce** is thinner and spicier, and our **Carolina Sauce** is a vinegar based tangy sauce.

Either way, dry or sauced we know you'll enjoy our BBQ.

Thanks!
